## **SEAGULL II (54m / 6 cabins / 12 guests / 9 crew)**

*Seagull II is the embodiment of a “classic” gentleman’s motor yacht. After a complete rebuild in 2004-5, she emerged in a style more reminiscent of the 1920s, with lavish decorations redolent of the Art Nouveau era and luxury furniture and furnishings to match. With no less than five separate decks, finding your own little niche should prove no problem. Did we mention the jacuzzi, located on the upper deck? There is, naturally, a wealth of water toys to keep you amused. With two tenders, a choice of water skis, a jet ski, wakeboard, canoes, and paddleboards, you will need at least a week to work your way through.*
